**Subject:** SFED account for Drug laboratory

Hi Dan,

I would like to set up an SFED account for the Drug Laboratory so that we can share confidential information with the Suffolk County DAs Office (and possibly others in the future). Warren has already investigated some other options but has concluded that they would not provide the security needed for such sensitive data. Currently, our need is to send a weekly report to Suffolk County.

Please advise as how we should proceed.

Thanks, Julie Nassif
